CANADIAN CONFERENCE BURSARIES

Dear Sisters and Brothers,

The Canadian Conference of the International Union of Operating Engineers is calling for applications for (four) 4 bursaries of (five hundred dollars) \$500.00. These educational bursaries are intended to provide financial assistance to I.U.O.E. members' dependants.

The bursary recipient must be entering the first year or subsequent of a full time course of study (at least two years in length) leading to a diploma, certificate or degree from any recognized public Canadian college or university. Each bursary will be payable at the commencement of the first or subsequent term of the student's year of at least a (two) 2 year program.

Applicants from the following four regions will be considered for the respective bursary:

1. Atlantic Canada (P.E.I, New Brunswick, Nova Scotia and Newfoundland)
2. Quebec and Ontario
3. Saskatchewan and Manitoba (Brian Woznesensky Memorial Bursary)
4. British Columbia and Alberta

Applications must be supported by transcripts of high school achievement and accompanied by a detailed letter of recommendation from an individual with personal academic knowledge of the candidate, outlining reasons why the bursary should be awarded. In addition, applicants must submit a (one thousand) 1000 word essay on the reason why the bursary will be of assistance or the impact that being a dependent of a union member has had on the applicants life.

The deadline for receipt of the applications is August 1st. The decision process will be handled internally by a committee from the Executive of the Canadian Conference of Operating Engineers.

The Canadian Conference of Operating Engineers is pleased to be able to offer some financial assistance to the dependents of our members. Please ensure that this bursary is known to your entire IUOE local union membership.
